Makati City: the Gallery Salcedo “The next time someone asks to meet you in Makati in 10 minutes, say you’ll be there in 5.” KL Mosaic “Breeding Art-chitecture in Legaspi Village that flawlessly integrates artistic elements into the built environment.” Mosaic “Propagating a tower of luxury and eccentricity that ultimately touches the heart of each individual wanting to live a life of such characteristic.” Trevi Towers“In need of personal space? Looking for a half-way home? Your first investment? At Trevi, we have residential and commercial units that would best suit your needs.”

The web address www.vistaland.ph is the official website of the ‘blue chips’ sales team of Vista Residences, the vertical division of Vista Land and Lifescapes, Inc., with Ms. Cheryl Jimenez-Sanguyo as Business Director. It contains a complete range of information about Vista Residences condominium projects in prime areas of Metro Manila. In each condominium folder, we will find the specific project details including but not limited to floor plans, photos and perspectives, location maps, amenities, and related promos, news and articles. It also includes some information about the other projects in the Vista Land & Lifescapes portfolio.
